Shri Rishabh Gayaprasad Jain
President & Founder,
Swarrnim Group

Mrs. Sunita Jain
Trustee (GP Jain Charitable Trust)

Swarrnim University is dedicated to offering the best learning environment possible as the first institution in India to educational courses on startups and entrepreneurship. With the will to reach the highest standards of entrepreneurial excellence on a global scale, the faculty of the institution spreads the wings of students to the maximum potential. The indulgence of the educational administration is found here in such a rich course by selecting deserving academics and inviting authorities in their respective domains.

Mrs. Vinjal Jain
Trustee (GP Jain Charitable Trust)

The academic environment at Swarrnim University is actively improved by the faculty. To promote employability, educators, managers, and technocrats are encouraged to inspire students to pursue employment in these disciplines. Swarrnim team works towards cultivating an environment of creation, innovation, and entrepreneurship to empower the kids and provide them with the necessary tools & equipment.

As a result, young people must be well-rounded and equipped to handle whatever obstacles they may encounter in life.

Mr. Love Jain
Vice President - Swarrnim Group

The claim we make at Swarrnim is that it is the pioneering institution of its kind in India that concentrates solely on instructing young people about founding enterprises and being entrepreneurs. We seek to produce, enhance, and spread information to create a learning environment where start-ups and entrepreneurs are born.

We believe that young people should be well-rounded and equipped to handle any obstacles they may encounter in life.

Mr. Rishi M Jain
MD, Swarrnim Group

To make learning engaging, we have chosen to pursue a practice-oriented teaching process and industry-oriented education. This unique combination meets the needs of the business sector in addition to improving student learning. By encouraging students to pursue careers as technocrats, managers, or educators in diverse fields, we hope to increase employability. We want to grow the seed of entrepreneurship in young people's minds through information and education.

Mr. Adi Rishabh Jain
Vice - President

Swarrnim promotes the idea that it is the only institute of its kind in India that entirely focuses on educating young people about starting businesses and becoming entrepreneurs.

I feel incredibly proud to be a part of an organisation that supports my vision for the country since the country needs more creative minds to develop better employment and offer high-quality services. I want to set new standards for excellence using my management, leadership, and creative skills.

Mrs. Nikitaa Jain
MD - Global & Women Entrepreneurship Cell

We have always placed a strong emphasis on offering education that is relevant to the business world. There is a saying that states to ask a guy for something to be stated, but to ask a woman for something to be done. Women typically have greater potential to lead change at the collegiate and global levels.

The Swarrnim Incubation Centre also aims to develop female entrepreneurs who are innovative, observant, and eager to lead.

Dr. Ragin Shah
Provost

Cordially inviting you all to the centre of advanced learning, where the University prides itself on entrepreneurship, innovation, and startup. Our curriculum is created in a way that fosters a healthy competitive spirit among the aspirants to prepare our students for the future. I believe we have to educate young people and provide them with life lessons that will prepare them to be tomorrow's market leaders. Our responsibility extends beyond only dispensing advice on business beginnings and entrepreneurship.

Dr. Jikisha Jain
MD - Swarrnim Startup & Innovation University

In addition to constantly providing the necessary support, Swarrnim encourages students to seek careers as technologists, inventors, job creators, leaders, or educators in several disciplines. I believe that we must continue to use a teaching methodology that is practice- and industry-focused.

Startups, e-commerce, and many other methods and techniques have fundamentally changed how things are developed, advertised, and distributed. I cordially invite you to visit and spend some time in a setting that will inspire and pursue your aspirations.

Dr. Hiren Kadikar

FEE ORDER

ORDER made in the matter of determination of fee structure for the Academic Years 2020-2021, 2021-2022 & 2022-2023:

In pursuance of the powers conferred upon it, the Fee Regulatory Committee ("the Committee" for short) which is constituted under the provisions of **The Gujarat Professional Technical Educational Colleges or Institutions (Regulation of Admission and Fixation of Fees) Act, 2007 ("the Act" for short)** intimated all the institutions which are subject to the jurisdiction of the Committee, to submit their proposals for determining the fee structure for the block period of 3 years of 2020-21, 2021-22 and 2022-23 on 18/03/2020. The deadline for submission of applications was extended from time to time in view of the then prevailing COVID-19 situation. The Committee also appealed to all the institutions on 17/04/2020 that considering the extraordinary critical situation which had arisen on account of the COVID-19 pandemic, they may maintain the status quo as regards to the fee chargeable from the students at least for the academic year 2020-21. The Committee appreciated that most of the institutions had responded positively and agreed to continue the same fee for the year 2020-21 which was determined by the Committee for the year 2019-20.

1. However, due to continuing pandemic conditions, in particular the second and third wave of COVID-19, the Committee's exercise of determining the fee structure of more than 600 institutions for the remaining period got delayed. In the meantime, the Association of Self-financed colleges vide its letter dated 19/11/2021 conveyed its decision to the Education Department, Government of Gujarat & the Committee that the members of the Association will not seek any

rise in their existing fee of the year 2019-20 for the fee block 2020-21 to 2022-23 and it furnished to the Committee list of its members on 13/01/2022. Similarly, Registrar, PDEU, Gandhinagar, SAL Group of Institution, Ahmedabad and C. K. Pithawala group of institutions, Surat conveyed their decision of maintaining the same fee of the year 2019-20 for the period of 2020-21 to 2022-23 to the Committee vide their letters dated 15/12/2021, 17/01/2022 and 19/01/2022, respectively. The Committee in its letter published on the website on 28/02/2022 highly appreciated the philanthropic decision of these institutions and conveyed its sense of gratitude to their management.

2. Considering the fact that the COVID-19 pandemic has caused a disastrous effect on the economy worldwide and the enormous difficulties it has created in the day-to-day life of all sections of society, the Committee, purely on humanitarian ground, appealed to all institutions other than the institutions mentioned in Para-1 to maintain the status quo as regards to the fee chargeable from the students for the block period of 3 years of 2020-21, 2021-22 and 2022-23 at par with their existing fee of the year 2019-20. This appeal was also made to the institutions which had started in the year 2020-21 or 2021-22 while conveying to them their fee structure. This appeal was made by the Committee in writing to all the institutions individually. In response to this appeal, 377 institutions conveyed their consent to the Committee for maintaining the status quo as regards to the fee chargeable from the students for the block period of 3 years of 2020-21, 2021-22 and 2022-23 at par with their existing fee of the year 2019-20. Out of the remaining institutions, 171 institutions did not propose any rise in the block period of 3 years of 2020-21, 2021-22 and 2022-23, while 10 institutions proposed reduction in the fee structure. Moreover, 44 institutions which have started functioning in the year 2020-21 or 2021-22 also agreed to maintain the status quo as regards the fee chargeable at par with the latest fee structure determined by the Committee till the year 2022-23. Thus, out of 636 institutions under

the jurisdiction of the Committee, overall 602 institutions are to maintain the status quo with regards to their respective existing fee.

3. In view of the above, by this common order, the Committee now prescribes the fee structures of 602 institutions listed in **Appendix-I** to this order for the block period of 3 years commencing from the year 2020-21, 2021-22 and 2022-23 subject to the following conditions:

    ii. The fee structures determined by the Committee shall be binding for a period of three years. The fee so determined shall be applicable to the students admitted in that academic year and shall not be revised till the completion of his/her professional course in the same institution.

    iv. The fee structures stated in **Appendix-I** are subject to any direction, circular, orders or notification that may be issued by the Government of Gujarat, Government of India, Statutory or Regulatory Body or Any Court of Law with regard to fees to be charged by institutions for the year 2020-21 or for any other period that may be prescribed by it.

In pursuance of the powers conferred upon it, the Fee Regulatory Committee (Technical) (the "Committee" for short) which is constituted under the provisions of **The Gujarat Professional Technical Educational Colleges or Institutions (Regulation of Admission and Fixation of Fees) Act, 2007 ("the Act" for short)** intimated all the institutions which are subject to the jurisdiction of the Committee, to submit their proposals for determining the fee structure for the block period of three years of 2023-24, 2024-25 and 2025-26 on 20/04/2023. The deadline for submission of applications/consent was 10/05/2023. The time-limit was extended till 17/05/2023 considering the requests received from several institutions from time to time. From amongst the existing institutions as on 2022-23, total 485 institutions had submitted the fee proposals in prescribed formats till the extended time-limit for raise up to aggregate 5% of the existing fee based on the notional rise granted by the Committee in accordance with their fee proposals for the years 2020-21, 2021-22 and 2022-23 subject to an upper limit of 5%. The notional rise is granted by the Committee keeping in view the acceptance of its appeal by the institutions to maintain the status quo of the then existing fee due to COVID-19 pandemic conditions. Moreover, 15 other institutions which had shown intention to raise the fee structure above 5% of the existing fee for the year 2022-23 have changed the mind afterwards and requested the Committee to allow them to submit the fee proposals for up to aggregate 5% of existing fee. The

committee accepted the fees of these institutions and as a whole total 500 institutions are included in **Appendix-I**.

2. The Proviso to Section 10(1) of the said "Act" prescribes as under: -

> *"Provided that the unaided professional educational college or institution may raise the fee up to five percent of existing fee for the fee block up to three years, or make any reduction in the existing fees without following the procedure as referred to in clauses (a) and (b) above. However, the unaided professional educational college or institution shall provide a "Declaration cum Undertaking" regarding the revised fee structure under this section in the form of affidavit as may be prescribed."*

In view of the above provision, the Committee has granted the increase in fee structure which is not exceeding the aggregate 5% of the existing fee and has determined the fee structure for the institutions listed in **Appendix-I** hereto for the block period of three years commencing from the year 2023-24 which is subjected to the following conditions:

i. The fee structure indicated above is the fees in Rupees per annum per student.

ii. The fee structure determined by the Committee shall be binding for a period of three years. The fee so determined shall be applicable to the students admitted in that academic year and shall not be revised till the completion of his/her professional course in the same institution.

Subject: Fee Refund Policy 2023-24

Respected Madam/Sir,

The University Grants Commission receives many representations/complaints from the students/parents on the non-refund of fees by the Higher Education Institutions (HEIs) on cancellation/withdrawal of admissions.

Students should be allowed a full refund of fees within a specified period to opt for a course they choose.

The Commission has considered the matter in its 570th meeting held on 27 June 2023, and after considering the relevant factors decided, the following fee refund policy for the academic session 2023-24:

- Notwithstanding anything contained in any guidelines/ prospectus/ notification/ schedule, a full refund of fees shall be made by the HEIs on account of all cancellations of admission/migrations of students up to 30 September 2023 and with a deduction of not more than Rs. 1,000, as a processing fee, up to 31 October 2023.

- For any admission schedule extending/commencing beyond/after 31 October 2023, the provisions contained in the UGC Notification issued in October 2018 on Refund of Fees and Non-Retention of Original Certificates shall apply (reproduced below for ready reference):

Category	Percentage of Refund of fees*	Point of time when notice of withdrawal of admission is received in the HEI
(1)	100%	15 days or more **before** the formally notified last date of admission
(2)	90%	Less than 15 days **before** the formally notified last date of admission
(3)	80%	15 days or less **after** the formally notified last date of admission
(4)	50%	30 days or less, but more than 15 days **after formally** notified last date of admission
(5)	00%	More than 30 days **after** formally notified last date of admission

The Higher Education Institutions are requested to ensure compliance with the fee refund policy for the academic session 2023-24 and redress any grievance by the provisions of the University Grants Commission (Redressal of Grievances of Students) Regulations, 2023.

University Overall Grading Pattern*:

SYSTEM OF EVALUATION, AWARD OF CLASS AND CONVERSION TO PERCENTAGE

Grading: The total of the internal evaluation marks and Final University Marks in each course will be converted into a letter grade as well as to a 10 point scale as per following scheme:-

Total Marks (%)	**>80**	**>75- 80**	**>70-75**	**60-70**	**>50 - <60**	**>45-50**	**40-45**	**<40**	**Absent**
Corresponding Letter Grade	O	A+	A	B+	B	C	P	F	AB
Numerical Point (Grade Point) corresponding to letter grade	10	9	8	7	6	5	4	0	0

SGPA/CGPA: The student's performance in any semester will be assessed by the Semester Grade Point Average (SGPA). Similarly, his/her performance at the end of two or more consecutive semesters will be denoted by the Cumulative Grade Point Average (CGPA). The SGPA and CGPA are calculated as follows:-

(i) SGPA=$\sum$ CiGi/$\sum$Ci,

where Ci is the number of Credits of course i

Gi is the Grade point earned by student for course i

& i =1 to n, n = number of courses in semester

(ii) CGPA= $\sum$ CiGi/$\sum$Ci,

where Ci is the number of Credits of course is

Gi is the Grade point earned by student for course i

& i =1 to n, n = number of courses of all semesters upto which CGPA is calculated.

Award of Class: The class awarded to a student in the programme is decided by the final CGPA as per the following scheme:

Distinction: **CGPA ≥ 8.0**

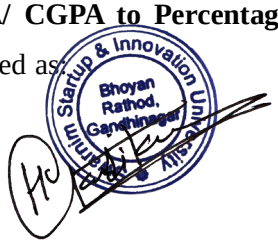
First Class: **CGPA ≥7.0 <8.0**

Second Class: **CGPA ≥5.0 < 7.0**

Pass Class: **CGPA ≥ 4.0 < 5.0**

Fail: **CGPA less than 4**

Formula for Conversion of SGPA/ CGPA to Percentage: An equation to find equivalency between SGPA/CGPA may be obtained as:



Percentage Marks = (SGPA/CGPA - 0.5) x 10

* **Grading pattern & award of class can be varied as per Apex body of Institute & council if applicable**
